# Welcome Ladybug Families....

We have a fun year planned for your children and great things to learn!

Please read below to ensure that everyone has a great time at school.

- Please leave backpacks and toys at home or your car.
- One small lovey or pillow and one small blanket for nap, and please bring it in a pillowcase or cloth bag labeled with your child's name.
- Rain boots and a coat labeled with child's name.
- Extra change of clothes labeled with your child's name.
- Water Bottle with child's name

Please

Label, Label, Label everything

# Reminders for you:

- **All About Me' Board:** Each child will get a turn to display pictures and facts from home. You will receive an email from us when it is your child's turn.
- **Medicine:** All medicine needs to be turned in to main office and if it is medicine to be administered during school hours, please check in with Dorothy. (Personal sun block, chap stick and diaper rash ointment give to a teacher.)
- **Illness:** Please keep children home if they might be contagious. Also, please confirm you contact info in the office. If a child vomits, has a fever, or has diarrhea 2 or more times the family is contacted to pick up the child immediately. If your child has these symptoms, they need to be symptom free for 24 hours before returning to School.
- **Birthdays:** Unity School celebrates "Birthday Wednesday" once a month every third Wednesday. The cook prepares a yummy home-made bread and we sing to the whole month. We can not allow any outside food to be served to children during school hours on school property, see your policy handbook for more information.

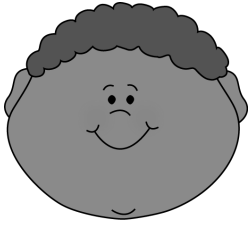

If there is anything we missed or that you still have questions about, please see Teacher Dorothy or Teacher Olivia. The Ladybugs' Daily Schedule is attached to the back, so you know what your child is doing throughout the day, and we will email you weekly updates & photos.

# WE PLAY HARD EVERY DAY!

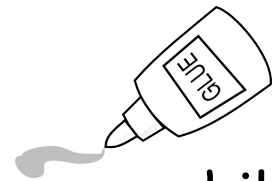

At unity school, we are  
learning through "hands  
on" activities! This often  
means that we get messy!

We strive to make your child's  
learning experience the best it can be!

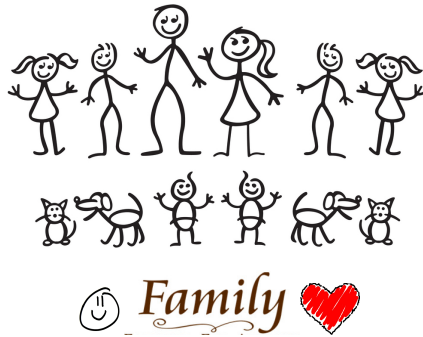

That means that we use Paint, glue, flubber, and  
some sort of messy goop every day!

Please plan ahead and send your child  
to school wearing "messable" play clothes -  
so they can dive into learning!

# Family Photo Board

Our “Ladybug Family” board is located in our classroom. We encourage all of our Ladybug children to embrace their families and each other’s differences, by sharing pictures of each other’s families. Also, when children are sad and missing their family we can redirect them to the family board to see their family.

Family photos can include immediate family (who live together), extended family (even those that live far away), and pets.

Please email your family photos to Virginia at [officemngunity@comcast.net](mailto:officemngunity@comcast.net)

Or contact us at:

[ladybugclass@icloud.com](mailto:ladybugclass@icloud.com)

Please limit them to 1 or 2 photos

Or you can wait until our “Parent Night in late September, where we’ll have a “photo Booth”

## Family Culture Survey

Please answer the questions and return this form or answer via email:
